This list is not exhaustive, but is intended to provide examples of information that may require public disclosure.

***For the purpose of this Code, all the above information including unpublished price sensitive information would be referred to as "Material Information".***

#### **IV. CHIEF INVESTOR RELATIONS OFFICER**

The Company has designated the Company Secretary as the Chief Investor Relation Officer, who shall be Responsible to deal with the dissemination of information and disclosure of any Material Information.

Employees must not respond under any circumstances to inquiries from the stock exchanges, the media or others, unless authorized to do so by the whole-time directors of the Company.

#### **V. BASIC PRINCIPLES OF DISCLOSURES**

Procedures governing the disclosure of Material Information required to be disclosed shall provide that such Disclosure shall be made in accordance with the following principles:

- Information should be disclosed immediately through the stock exchanges.
- No selective disclosure. Previously undisclosed unpublished price sensitive information must not be disclosed to selected individuals (for example, in an interview with one or several analysts in particular or in a telephone conversation with one or several investor in particular). If previously undisclosed information is inadvertently disclosed to an analyst or any other person, such information must then be disclosed to the stock exchange immediately.
- Under certain circumstances, the Company may determine that such disclosure would be unduly detrimental to the Company (for example if release of the information would cause prejudice to negotiations in a corporate transaction), in which case, the information shall be kept confidential until the Company determines it may be publicly disclosed. Information should be disclosed only after there is credibility to the information and the information has concretized.
- Disclosure should be made in a timely manner.
- Disclosure must be complete in all material respects and should not be misleading.
- Unfavorable Material Information must be disclosed as promptly and completely as favorable information.
- Disclosure must be corrected immediately if the Company is subsequently made aware that its earlier disclosure contained a material error or omission at the time it was given.

#### **VI. DISCLOSURE OF MATERIAL INFORMATION**

The Company shall disclose Material Information concerning its business and affairs to the public immediately, except when otherwise required for the purpose of maintaining the confidentiality of the information. This Code is to enable all persons investing in the securities of the Company to have the
